AMHCA Partners with Motivo for Online Clinical Supervision
[Motivo](#), the first platform for online clinical supervision, is proud to announce its partnership with AMHCA. By partnering with Motivo—a HIPAA-compliant network for connecting therapists to clinical supervisors for live video supervision—AMHCA members seeking licensure can find a supervisor and receive a discount on their first three sessions of supervision. With the rise of telehealth, many states now allow clinical supervision hours to be obtained online through live video conferencing. That's why Rachel McCrickard, a Licensed Marriage and Family Therapist, created Motivo to provide a more accessible option for supervision.

AMHCA Partners with Driven: Become one of the first neuroscience-based resilience coaches in the US
Building collaborative relationships is a core strength of AMHCA. We are happy to announce that AMHCA has forged with international innovators in the field of neuroscience and resilience, Hello Driven (<https://home.hellodriven.com/>). AMHCA continues to be a leader in promoting our understanding of the role of neuroscience in the training, research, and practice of clinical mental health counseling.

AMHCA is excited to announce that we have added an expert search feature to our website!
Members and the public are able to search by location, topic or expertise, and by name. Get a personal URL that you can market to others. Select a fee for speaking and upload presentations, book titles and link to articles you've written. Members can adjust their privacy settings to make areas public or private. You decide how much detail to fill out and who you would like to see it.
