AMHCA Past President Announces Call for Nominations for AMHCA President-Elect

The AMHCA vision is to position clinical mental health counselors to meet the health care needs of those we serve while advancing the profession.

Our mission is to advance the profession of clinical mental health counseling by setting the standard for:

Collaboration
Advocacy
Research
Ethical Practice
Education, Training, and Professional Development

In accordance with AMHCA bylaws, "The President-Elect shall serve as a member of the Board of Directors, chair the Annual Conference Committee, and shall perform such duties as may be directed by the Board of Directors and/or by policy."

Website Construction: New 'About Us' and 'Latest News' Sections

The AMHCA website is undergoing a bit of reconstruction. In an effort to make the website more user friendly we are moving a few things around. Please bear with us as we rebuild our hub and feel free to reach out to Whitney Meyerhoeffer (wmeyerhoeffer@amhca.org) at AMHCA if you have any questions or concerns.

Take a moment to check out AMHCA.org's new 'About Us' and 'Latest News' sections.

AMHCA Partners with Motivo for Online Clinical Supervision

[Motivo](#), the first platform for online clinical supervision, is proud to announce its partnership with AMHCA. By partnering with Motivo—a HIPAA-compliant network for connecting therapists to clinical supervisors for live video supervision—AMHCA members seeking licensure can find a supervisor and receive a discount on their first three sessions of supervision. With the rise of telehealth, many states now allow clinical supervision hours to be obtained online through live video conferencing. That's why Rachel McCrickard, a Licensed Marriage and Family Therapist, created Motivo to provide a more accessible option for supervision.

AMHCA Partners with Driven: Become one of the first neuroscience-based resilience coaches in the US

Building collaborative relationships is a core strength of AMHCA. We are happy to announce that AMHCA has forged with international innovators in the field of neuroscience and resilience, Hello Driven (<https://home.hellodriven.com/>). AMHCA continues to be a leader in promoting our understanding of the role of neuroscience in the training, research, and practice of clinical mental health counseling.

AMHCA is excited to announce that we have added an expert search feature to our website!

Members and the public are able to search by location, topic or expertise, and by name. Get a personal URL that you can market to others. Select a fee for speaking and upload presentations, book titles and link to articles you've written. Members can adjust their privacy settings to make areas public or private. You decide how much detail to fill out and who you would like to see it.
